ROUTINE 21 December, 1950

PERSONAL FROM: MAJOR GENERAL BOLTE

PERSONAL FOR : GENERAL MACARTHUR

NUMBER : WAR 99349 20 December, 1950

This message contains restricted data, Atomic Energy Act, specific restricted data clearance not required.

For planning purposes, in connection with emergency plan shakedown the Joint Chiefs of Staff have made a tentative allocation of two zero (20) atomic weapons for employment by Strategic Air Forces in retardation of Soviet advances in the Far East - Pacific.

In furtherance of the above planning, the Joint Chiefs of Staff have agreed that each service will submit lists of known atomic targets which should be destroyed to retard Soviet advances in the event of general war and the implementation of shakedown.

It is requested that your recommendations on the above be forwarded to this office at the earliest practicable date, to include estimated requirements for, and relative priorities of possible targets of opportunity.
